Dear Chairman Smith,

CenturyLink values its relationship with the Confederated Tribes of the Warm Springs Reservation and the opportunity to provide services that meet the needs of CenturyLink's customers located on Tribal lands. CenturyLink is striving to maintain a positive relationship with members of the Confederated Tribes of the Warm Springs Reservation through ongoing communications and, as appropriate, periodic meetings.

As you may know, Federal Communications Commission ("FCC") has initiated steps to reform and modernize the federal universal service support system to ensure that robust, affordable voice and broadband service are available to Americans throughout the nation including those residing on Tribal lands.¹ The FCC has advised that the following topics should be discussed with tribal representatives: (1) deployment planning with a focus on Tribal community anchor institutions; (2) feasibility and sustainability planning; (3) marketing services on Tribal lands; (4) rights-of-way processes, land use permitting, facilities siting, environmental and cultural preservation review process; and (5) Tribal business and licensing requirements.

In furthering our goal of strong cooperative relationships with our Tribal customers, and the FCC's goal of comprehensive engagement with Tribal authorities regarding telecommunications services, CenturyLink would like to extend an opportunity to meet

with the Confederated Tribes of the Warm Springs Reservation at your convenience. We are aware that you have formed your own telecommunications company and we have been advised by Warm Springs Telecom that they are serving the reservation with high speed internet. However, to the extent that CenturyLink can continue to meet the voice or broadband needs of any tribal members, and a joint planning meeting would be of interest, CenturyLink would be pleased to meet again with tribal representatives.

For your convenience, I am attaching a reply form and envelope to facilitate the return of your response. The reply provides the opportunity for you to identify the Tribal representatives that would attend the meeting as well as identify issues of interest to you regarding CenturyLink and the services we provide. Please respond at your earliest convenience so that we can set a meeting date. My office will be pleased to coordinate the scheduling of our face-to-face meeting and work to identify additional CenturyLink personnel as needed to address your specific issues.

Please contact CenturyLink at (503) 242-7989 or Karen.Stewart@centurylink.com with any questions you may have regarding this letter. We at CenturyLink look forward to meeting with the Confederated Tribes of the Warm Springs Reservation and to continuing a strong relationship that is beneficial to all involved.

Thank you for your attention.

Sincerely,
